Start Your Business Right

With Legal Guidance That Protects Your Future

Starting a business is exciting, but it comes with important legal decisions. Working with an attorney from the beginning helps you choose the right structure, protect your assets, stay compliant and avoid costly mistakes. Set your business up for long-term success, with the right legal guidance from the start.

Smart Legal Packages For Every Stage Of Your Business

Need just the basics for a small business? Launching a bigger venture with employees, more assets to protect, or a structure that saves on taxes? We have a package for each stage. Every package includes:

- A consultation with one of our business attorneys
- Formation filing with the state and your EIN from the IRS
- An operating agreement or bylaws to run your business

BUNDLE & SAVE $500

$500 less with a WealthGuard plan ($200 less for Foundation). Every strong business needs a succession plan. Add a WealthGuard estate plan to your package.

Compare Our Business Packages

Foundation

$1,195 | $995 With WealthGuard Plan

- Attorney Consultation of Up to 30 Minutes
- Formation Filing With the State

Filing Fees Are Extra

Package prices do not include filing fees. You pay them up front at checkout. We pass them through at cost, with no markup:

- The state filing fee
- The state's expedite fee, if you choose faster filing
- CSC's filing service fee of $35 per business

Optional Services From CSC

CSC offers these services and bills you for them directly. They are not part of the package price:

- Registered agent
- Annual report filing
- Corporate kit
- BOI report preparation

Talk with your financial professional to learn more about your business startup options. Then set up your **free consultation** with one of our business attorneys. You will get the details on how to set up and protect your business the right way.

Prices effective November 2026. Package prices are per business. Filing fees vary by state and are charged at the state's current rate.
