

# Start Your Business Right

With Legal Guidance that Protects Your Future

Starting a business is exciting, but it comes with important legal decisions. Working with an attorney from the beginning helps you choose the right structure, protect your assets, stay compliant, and avoid costly mistakes. Set your business up for long-term success—with the right legal guidance from the start.

## SMART LEGAL PACKAGES FOR EVERY STAGE OF YOUR BUSINESS

Whether you're starting a small business and need the basics, or you're an experienced entrepreneur launching a more complex venture with employees and greater asset protection needs—or you need a structure that maximizes tax savings—we have the right package for your success, with expert legal guidance from the start. Every package includes:

Consultation & design meeting with one of our business attorneys (plus advice on best practices)

EIN filing with the IRS, state and local filing (up to \$200 in filing fees)

All the proper documents that you will need to operate your business.

**BUNDLE & SAVE  
\$500!**

Add an Estate Plan to your Business Package—because every strong business needs a Succession Plan.
